

Name: _____

The Wunderall™

- Custom.....\$150.00
- X-Large Sizes\$160.00

Our deluxe top of the line suit features:

1. Fleece lined collar with waterproof hood tucked in.
2. Two large front breast pockets with firmly fastened-over flaps.
3. Front closure of sturdy hook and loop.
4. Inner elastic waistband adjustable with a triglyde.
5. Wrist and ankle cinches fastened with hook and loop.
6. Liberal elbow patches with internal non-woven padding for people who need some but not a lot of elbow padding.
7. Double seat with saddle overlaying the seam.
8. Knee pad pockets built inside, cover non-woven padding that extends from well above the knee over down the shin.
9. Designed with raglan sleeves for a more flexible fit.
10. Made in your choice of fabrics and colors (you can choose two, one for patches and one for body). Read the fabric descriptions on page 1 to choose your fabric.
11. See extra cost options on page 3.

The Wunderbibbs™

- Standard.....\$95.00

Wunderbibbs are made with the move-with-you Wunderall design – the articulated bums and knees. Choose two cargo pockets with hook and loop flaps, or a giant size pocket on the bibb section divided as you direct. The Bibbs have a double seat with a seat saddle (unless you tell us you want it single). You can design the upper (above the waist) section or choose our design – which comes just above the nipples in the front, slightly lower in the back (but high enough that if you’re standing in a snow bank your jacket and our bibbs don’t separate enough to let snow sneak in.) For an additional \$10, a special feature is a two-sided closure, with mesh in each side so when ridge walking you can open the sides and cool off without “risking undue pressure”.

The Fundamental Suit

- Standard.....\$90.00

Our basic caving suit has the same gusseted crotch and armpits for freedom of movement as our Wunderall suit.

1. Two outside breast pockets with hook and loop closure.
2. Soft fleece collar.
3. Front closure of sturdy hook and loop.

The Wunderpants™

- Standard.....\$75.00

The Wunderpants are made with the move-with-you Wunderall design. The articulated bums and knees allow you to forget what you are wearing while you struggle through crawls, chimneys or climbs.

1. Front closure secured with hook and loop.
2. Soft polyester webbing belt adjusted with a ladderlock.
3. Two large securely flapped trouser/hand pockets on either side. (Some people like them lined with fleece.)
4. Ankle cinches fastened with hook and loop.
5. Available in the same fabrics and colors as the Wunderall.

The Wundershorts™.....\$40.00

The Wunderknickers™.....\$50.00

Both are made like the Wunderpants, but shorter. They are designed to go over your wet suit or tights. The shorts stop just above the knee (or shorter if you prefer) and the knickers just under the knee. Same fabric and color choices as the Wunderall.

Order Information

Product _____

Fabric choice – body _____

Fabric choice - patches _____

Color choice #1 body _____ patches_____

Color choice #2 body _____ patches_____

Please list two different color choices for body and for patches, in case we don’t have your first choice in stock. If you want your garment all one color, please specify. Otherwise list your colors in pairs.
